DESCRIPTION	UNIT PRICE	QUANTITY	TOTAL PRICE
BEGINNINGS – Understanding Your Child’s Hearing Loss – A Guide for Parents This manual was originally written by a parent and revised in 2006, and again in 2010. The Manual includes chapters on acceptance and coping strategies, the auditory systems, childhood hearing loss, assistive technology, communication options, education and advocacy, and a national resource listing. English or Spanish (please circle one)	\$20		
A Guide for Parents - ON CD	\$15		
DVD: Pathways to Language and Communication Open-captioned – 35 minutes This film explains the process of speech and language development, guides parents through the decision-making process, and shows families using various methods of communication. Several families share their early experiences as five approaches to communication are highlighted. A new brochure, Communication Approaches, will accompany each film. The film has options for English and Spanish language viewing.	\$15
